Social and Personal

NOW that the month of June is past, society people are rapidly clearing their town houses and leaving to spend the remainder of the summer months, and in most cases the last part of the autumn, away from Richmond. Mr. and Mrs. Thomas Nelson Carter, Miss Isabelle Carter and Miss Elizabeth Carter, in the Carter big touring car, and a party of friends with Mr. Mayo, in his machine, left the city yesterday for a tour of the mountain resorts of Virginia. They will go first to the Greenbrier White Sulphur Springs, and from there to the Hot, where they will remain several days. Mr. and Mrs. Charles E. Wortham, Jr., are also planning to tour the state in an automobile.

Misses Panny Scott, Camilla Wellford, Emma Conquest and Katherine Hazzard will leave town today for Lookout Mountain, Tennessee, where they will be members of a very interesting party that will be entertained by Mrs. Garnett Andrews at her big country place in that State. A number of charming affairs have been planned for Mrs. Andrews' guests, who will remain at Lookout Mountain for the month of July. Later they will go to Warrenton, where they will be for the horse show and balls that are given at that time.

Stay-at-Home Whist Club.
The Stay-at-Home Whist Club held its regular meeting on Monday evening at the residence of Mr. and Mrs. S. W. Travis, 403 West Franklin Street. The tables were engaged, and the best score was made by Mrs. C. W. Brock and Mr. Tyler. Mrs. Travis will again be hostess of the club next Monday evening.

Leake's Wedding.
Among the charming June weddings in Virginia was that of Miss Susie Morris Leake, of Front Royal, and Dr. Louis Leake, of East Leake, which took place in Christ Episcopal Church at Front Royal on Thursday, June 29, with Rev. Dr. Leake officiating. The bride entered the church on the arm of her father, Captain C. H. Preston, who gave her away. She was handsomely gowned in white satin, trimmed in rare old lace, and carried a bouquet of pink roses. The bridesmaids, who included Misses Eliza Leake, Agatha Walker, Berta Jackson, Lila Mussa, Annie Langhorne and Norma Cleary, wore white lingerie frocks with big picture hats. The groom was attended by his brother, Dr. H. Leake, of Richmond, and his ushers were Captain A. S. Gardner, Walter Leake and others.

Dr. and Mrs. Leake left immediately after the ceremony to spend their honeymoon at the numerous summer resorts on the Carolina coast. Guests at Wakefield Manor.

Colonel and Mrs. George Barnett entertained a Fourth of July house party at Wakefield Manor House, their home in Rappahannock county. Their guests included Commandant of the Washington Navy Yard and Mrs. Beatty, Admiral and Mrs. Edmund Nicholson, Mr. and Mrs. Walter P. Montague, Miss Beatty, Frank Beatty, Mr. Day, Lieutenant Osterman, United States Marine Corps; Captain McConnell, United States Marine Corps; Lieutenant-Commander Rogers, and several others. After a display of fireworks, Colonel and Mrs. Barnett gave a dance.

At the White.
Among the Atlanta people who will spend August at Greenbrier White Sulphur Springs will be Mr. and Mrs. William H. Kiser and family, Mr. and Mrs. J. Reid Hobson and family, Mr. and Mrs. John Grant and family, and Mr. and Mrs. Thomas B. Palne and daughter.

A number of prominent Georgia people come to the White every summer, and Atlanta society is always well represented at the big functions given there.

Of Interest Here.
Says the Washington Herald of yesterday morning:

Mr. and Mrs. Thomas H. Carter and their sons, accompanied by Miss Martha Harrison, left yesterday afternoon for Isleboro, Me., where the Carters have a cottage for the season. Miss Harrison will spend a fortnight with them.

Miss Harrison, who was introduced to Washington society last season, spent some time last spring as the guest of Mrs. L. L. Lewis, on West Franklin Street. She also visited Misses Sarah and Roberta Hamilton, in Petersburg.

To Visit Here.
Mrs. J. G. Haines, wife of J. D. Haines, United States Navy, accompanied by her son, Harold Stanford Haines, will leave Atlanta this week for Philadelphia, where they will be the guests of Mrs. Haines' parents, Mr. and Mrs. A. L. Bone. Before returning to Atlanta, Mrs. Haines and her son will spend some time visiting relatives and friends in Washington and Richmond.

Dr. and Mrs. Trent, whose wedding was celebrated on June 29, at Clinchport, spent part of last week in Bristol, Tenn. They will shortly visit relatives in Richmond, en route for their home in Washington. Dr. Trent formerly made his home in this city, and Mrs. Trent, who was Miss Hagan before her marriage last month, lived at Richmond.

Annual Excursion.
The annual excursion given by the women of St. Mark's Church will take place this evening. The steamer Pocahontas has been engaged to carry the guests down the river, the boat leaving the wharf at 8:15 o'clock. A musical program will be rendered by an orchestra on the trip down, and the occasion promises to be a very pleasant one.

Home Wedding.
A quiet but pretty wedding took place Tuesday at the residence of Rev. D. F. Coleman in South Richmond, when Miss Christine McDonald became the bride of R. Pinckney Sowers. Mrs. Robert L. Sowers acted as dame of honor, and Dr. J. Leo McDonald was the groom's best man. The bride wore a gray traveling suit with a white picture hat. She is the daughter of Mr. and Mrs. A. B. McDonald, of Chesterfield, N. C. Sowers formerly resided in Statesville, North Carolina, but is now making his home in South Richmond, where he is prominent in business circles.

Immediately after the ceremony, Mr. and Mrs. Sowers left for a Southern wedding trip, and on their return will reside at 1113 Porter Street.

In and Out of Town.
Mrs. Beverly Randolph and little son left Richmond this week for a brief stay with relatives in Gloucester county.

Mrs. John B. Minor and children are spending the summer at Bon Air.

Thomas Adkins, who has been spending several days with his family at Buckroe Beach, has returned to the city.

Dr. and Mrs. Charles Wiley Tucker, who are traveling in the North, will visit relatives here en route for their home in Charlotte.

Miss Virginia Taylor, of Wilmington, N. C., is the guest of Mrs. C. E. Borden, in this city.

Mr. and Mrs. Hoadley and Miss Hoadley are spending the remainder of the summer at Buena Vista, Pa.

W. G. Wright, who was injured in an automobile accident recently, is now improving and able to be out again.

Mrs. A. B. Woodcock and daughter, Thelma, of Newport News, are guests of relatives in this city.

Miss Julia Foyne is the guest of Mrs. Robert Leigh, Jr., at her country place near Rapidan.

Meade Addison has returned to the city, after spending the week-end with friends at Waynesboro.

FURTHER STRIKES ARE THREATENED

Makers of Bread and Cigarettes Are on Point of Walk-Out.

SITUATION IS SERIOUS

Street Car Men Clash With Police, and Results Are Fatal.

Mexico City, July 5.—The street car strike claimed its first victim to-night in a clash between police and strikers. One man was killed and a woman probably fatally injured. A number of others were more or less seriously wounded. The police charged a mob which was storming a car in a downtown street.

With the outcome of the strike yet to be determined, the people of the capital to-night were facing two more walkouts that threaten still further their bodily comfort. Their supplies of cigarettes and breakfast rolls are endangered by strikes of tobacco factory hands called to-day, and of bread-makers, promised for to-morrow.

The street railway company maintained a limited service to suburbs during the afternoon and evening, following a repudiation by the car men of last night's agreement and their refusal to resume work this morning.

The explanation was that a portion of the strikers disapproved of the action of the mass-meeting.

The car men gathered about the cars early to-day, attacked the cars which were sent out to convey crews to terminals and drove the men out. The attempt to start the service was given up then until the afternoon, when mounted police and rurales went to the aid of a few score of imported men and old employees.

The company to-day appealed to the British shire d'Affaires for aid in obtaining protection for the company's property. Several clashes occurred with strikers and the rabble that gathered, but the disorders were not of a serious nature. Many arrests were made. Officials believe they will be able to resume regular service on nearly all lines to-morrow.

The 200 cigarette makers walked out because they objected, among other things, to being "trimmed" by the barber every fifteen days, as was required by the rules of the company. They

RAIN BENEFITS PERISHING CROPS

Lynchburg, Va., July 5.—The section of Amherst county contiguous to New Glasgow was visited by a rain yesterday afternoon which lasted more than an hour, doing great good to perishing crops. The day before the lower portion of Stetson county was visited by a good rain, which was accompanied by a wind storm, which is reported to have uprooted trees, in addition to doing considerable other damage in a limited area.

Reports generally from this section of the State show that rain is badly needed, and that unless there is relief soon the farmers will suffer. The rains of the past month have been purely of a local character, and some sections have had scarcely no precipitation at all for weeks.

COURT ORDERS SALE OF LAUNCH

[Special to The Times-Dispatch.] Alexandria, Va., July 5.—In the suit of the Emerson Engine Company, of this city, against Edward Hatch, of New York, for the recovery of \$5,500 for engine furnished for a launch in the United States Court for the Eastern District of Virginia to-day, the court directed that the launch be sold, and plaintiff required to give a bond of twice the amount of the suit. The property will be sold by the marshal.

An appeal was allowed on the condition that the defendant give a supersedeas bond, in the sum of \$5,000, within a week from date.

The fine, however, was suspended.

John William Robinson, a negro boy, charged with sending obscene matter through the mails, entered a plea of guilty and was sentenced to serve sixty days in the city jail.

NARROW ESCAPE OF TUG BOAT CREW

Men Lose All Their Possessions, and Loss Is About \$8,000.

Veterans of Federal Army Will Reach Petersburg on Friday.

Times-Dispatch Bureau. 109 North Sycamore Street, Petersburg, Va., July 5.

The tugboat Mary, owned in Norfolk, and commanded by Captain Lind, which was burned in James River at Tree Point, nearly opposite Clarendon, early yesterday morning, is practically a total loss. The boat was tied up at Tree Point Monday night, and at a late hour Captain Lindsay was awakened by smoke to find his tug ablaze. Captain and crew had a narrow escape from injury, and lost all on the boat. One of the wharves caught fire and was destroyed, and the other was damaged. The loss on the boat is estimated at between six and eight thousand dollars. Captain Lind and his crew were picked up by the tug Clark and brought to this city.

Crops Looking Fine.
With the exception of tobacco, the crops in the Southside section are

looking well, notwithstanding the complaints about the drought. Generally, the corn is looking fine, and the peanut fields are promising. The tobacco crop, however, will be short. The planting was done very late, and there has been no favorable season for the growth of the plants, except in narrow localities.

Sent on for Trial.
George Rukey, the young white man, arrested yesterday for forging the name of W. D. Temple to an order for money, was this morning committed for trial in the Corporation Court. He represented himself as Mr. Temple's son. The surprising feature about the case is that having been once imprisoned for forging Mr. Temple's name he should so soon do the same thing again.

Veterans Coming.
Colonel James Anderson, of Wilcox Post, Grand Army of the Republic, Springfield, Mass., has written that he and other members of the commission appointed by the Governor of that State to erect a monument at Petersburg to the memory of Massachusetts soldiers and sailors, will arrive in the city on Friday evening. They will remain here several days and will visit and inspect the monument now being placed in position. The site of the monument is on the Crater farm and faces on the Jerusalem plank road. The site was donated by Mrs. Griffith, the owner of the farm. It has been decided to unveil and dedicate the monument on the 10th of November. Governor Foss and staff and a large delegation of Federal veterans will attend the unveiling, as will also Governor Mann and staff. A. P. Hill Camp of Confederate Veterans will act as escort of the two Governors, and exercises will be of elaborate and interesting character.

Decision in Bank Cases.
Judge Mullen, of the Hustings Court, probably will render his decision on the motion to dismiss the six larceny indictments found by the March grand jury against Charles Hall Davis and Carter R. Bishop, of the Commonwealth's Attorney moved to not prosecute these indictments, which motion counsel for the defendants opposed, asking instead that the court order that the defendants be committed to the penitentiary for the term of the two Governors, and the charges contained in them. It is said that the court will probably order the dismissal of the indictments.

Consumers to Use Water Sparingly.
Mayor Harrison, at the request of the Board of Health and Water Committee, issued notice to the public requesting all consumers of water to be sparing and economical in its use for the present, as possible. In view of the protracted drought, the water in the reservoirs is lower than ever before at this season of the year, and the supply is seriously threatened. Only, says the Mayor, the most economical use of water and heavy rains can prevent a water famine.

DENIES MOTION TO NON-SUIT CASE

[Special to The Times-Dispatch.] Raleigh, N. C., July 5.—Judge Henry G. Connor this morning denied the motion of defendants for a non-suit as to the American Tobacco Company in the suit for \$1,200,000 damages demanded by the Ware-Kramer Tobacco Company for the destruction of the cigarette business of the plaintiff.

The plaintiffs yesterday afternoon consented to a non-suit as to W. M. Carter, who was alleged to have conspired with the American Tobacco Company to this end. The denial of the motion to non-suit as to the American Tobacco Company brought the case to the point for argument before the jury, and after the formal preliminary motions, the argument for the defendant was opened by Junius Barker, leading counsel for the American Tobacco Company. The order of speeches agreed upon by counsel is as follows:

Parker, for the defendant; C. Daniels, for the plaintiff; ex-Judge R. W. Winston, for the defendant; Mr. Swindell, for the plaintiff; Mr. Green, of Norfolk, for the plaintiff; F. L. Fuller, for the defendant; F. S. Sprull, for the plaintiff; and ex-Governor Aycock, closing for the defendant. It is expected that this argument of the case will consume all the remainder of the week at least.

At the outset Judge Connor expressed the hope that counsel will confine themselves to the testimony in the case, and avoid all unseemly language, to which opposing counsel might be called upon to take exception.

Guy C. Alston, former North Carolina, now an attorney in Everett, Wash., is in the city with his wife and child, guests at the Governor's mansion, visiting Governor and Mrs. Kitchin.

The six members of the subtext-book commission are to resume their official duties July 10, taking up the work of examination of the different text-books offered for adoption for use in the public schools during the next five years. They are to have their reports on these ready by August 3, when the bids of publishers are to be opened and the actual work of adoption begun. There are to be no more hearings unless it becomes necessary to summon one or another of the bidders to adjust some price on a book that the commission may feel inclined to adopt, except for the price being too high.

CRUISE FOR SECRETARY
Stimson Will Return Leisurely Aboard the North Carolina.

Washington, July 5.—On his return trip from Panama to the United States Secretary Stimson and his party will take passage on the armored cruiser North Carolina which is now at La Guayra, Venezuela, participating in the Venezuelan centennial celebration. The cruiser will take the secretary's party to San Juan, P. R., thence to San Domingo and Havana, returning to New York or Charleston, S. C., about August 10.
